APPENDIX TO CERTIFICATE NET527P05

Considering usage in circumstances where hygiene and disinfection are both important factors, this product has been evaluated and tested by NET. The Antibac® Berøringsfri Dispenser Hvit has been exposed to sterilizing temperatures and chemicals.

The following tests have been performed:

Test description	Temperature	Result
Cleaning with normal detergent	23°C	OK, no visual damage
Cleaning and disinfection with Antibac® Overflatedesinfeksjon 75%	23°C	OK, no visual damage
Decontamination with steam, 15 minutes	85°C	OK, no visual damage

NOTE: These automatic dispensers have a body of plastics and a battery pack, which was removed for the purpose of steam-testing.
